

The Teacher Training Academy - Türkiye is pleased to be working in alliance with Putting it into Practice, providers of high quality professional development for globally-minded educators for more than 20 years. In that time, Putting it into Practice has directly supported more than 200 schools worldwide, especially in the key areas of inquiry, assessment, internationalism, language and IB PYP implementation.

We share a commitment to support schools in Turkey in their continuous development through dynamic, practical open workshops and tailored inservice and consultancy, designed and delivered by Putting it into Practice and facilitated by TeacherTrainingAcademy-Türkiye.
